Bingocize® Facilitator Training

The grant pays for two leaders from each facility, but if one person is able to do the online training and the other is delayed, your facility

can still have its Bingocize® in a Box shipped and you can begin the program. Just remember: A person must complete the Bingocize® training and pass the quiz before they can lead the program.

Here's how to do the training:

- click on the registration link sent by WCU
- click on the Register Now button
- click Create an Account and Register
- supply name, contact information, and create a password
- click Submit Registration

You should receive the automated email within 12 minutes to the email address supplied during registration. If you do not see email in inbox, check junk/spam. If the email is still unavailable, email or call (LL@wku.edu or 270-745-3120). Once you have the email, you will be able to follow the directions within the email to continue.

Please reach out if you are having issues!
