

Bingocize® NC CR Order Form

CNF Site: _____ **I am emailing an Amazon wish list**

Lead Facilitator: _____ **I am using this form to order (below)**

Shipping Address: _____

1. Every three months your facility will receive \$150 worth of curriculum reinforcements. They should last for the 12-week period. Your nursing facility will be responsible to supplement curriculum reinforcements if your inventory runs out.
2. One month prior to your supply running out, send this form to the project coordinator via email. (slipscomb@wcu.edu) and an Amazon wish list, should you choose.
3. You can create an Amazon wish list and email that or use the order form below. Be sure and check the appropriate line (see above).
4. If you use the order form below, indicate the quantity you wish to order.
5. Your order will be confirmed once received by the project coordinator.
6. **Important: You may not order any item that is already provided by your nursing facility that is part of routine resident board and care.**
