For  
Bingocize®  
Success

**June attendance drawing winners** were Conover Nursing and Rehab and Life Care Center of Banner Elk. Sixteen facilities submitted attendance by end of day on July 7th. We appreciate that so much. Since July is the last month of Quarter 2 of Year 2 of the grant, please submit July attendance and any months outstanding by the 7th. We have a deadline to get your information to DHHS and want to include everyone. Thank you! The \$50 drawing (we do two \$50 random drawings) will happen the morning of the 8th of August, so make sure to enter your facility by submitting attendance before then.

**Remember...**visit the website to find great resources like the short video about how to implement Bingocize® in your facility.
