

December 2024

### **Holiday Idea for Bingocize**

The holidays are times when families visit their loved ones in your facilities. You might consider having special family Bingocize® sessions and allowing family members to join in the fun and movement.

Inviting family members to join a session can give residents a sense of extended support. If your facility does this, please take pictures and let us know how it goes!

### **Curriculum Reinforcement (Prize) Ordering Info**

We know you have many activities planned for this month. You might not think about curriculum reinforcement (prize) orders because you are so busy. However, we want to remind you that we will be closed December 21st through January 1st so your orders might be delayed if you wait until after the first of the year to order.

We sent emails to every facility leader that is due a prize order between now and late January. We have offered to order now and hold the shipment until it is due to ship so you don't run out of goodies.

Please email Simone with your orders. You can send an Amazon wish list--OR send a list of what you'd like--OR ask Simone to surprise you with a sample of favorite goodies.

### **Happy Holidays**

Sending along wishes for a very happy holiday season. Please let us know if we can assist you and your staff with any Bingocize® questions. We are grateful for your partnership. Best wishes for a wonderful new year.
