

Happy 4th of July!

FUSE & FALLS

There has been a lot of confusion around doing the FUSE survey. Here are the steps:

1. Choose 5 residents that you will follow the rest of the year.
2. Once a quarter (once every three months), you will survey them.
3. Add the number of falls they had from the previous quarter to the form.
4. Email the surveys to Simone: slipscomb@wcu.edu.

Wait three months and do it again with the same 5 residents.

Remember:

Do Your New Training!

Fifty-four of you have completed this training!! That's awesome! All of you were sent emails with the names of those who have completed the training. If your name is NOT on the list, please do the one hour training. It's geared especially for long-term care facilities. Thank you all so much for completing this requirement.

SOLID GOLD STARS!

We know how hard ALL of you work as activity professionals! We want to acknowledge some very special facility staff that have submitted ALL attendance and their FUSE/Falls surveys! AMAZING!!
